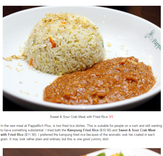
Papparich Plus @ Plaza Singapura

The popular Malaysia restaurant, Papparich has opened its latest outlet at Plaza Singapura. Unlike the other outlets, **Papparich Plus** offers additional items on their menu which all delight the taste buds.



Kampung Fried Rice $7

Sweet & Sour Crab Meat with Fried Rice $21

In the new meal at Papparich Plus, is fast food or dine-in. This is suitable for people on a lunch and with parking at Plaza Singapura, it is convenient for people who drive to the mall. Although the **Sweet & Sour Crab Meat with Fried Rice** $21, I preferred the kampung fried rice because of the aromatic rice. Rice is cooked in chicken broth, it was nice, rather plain and ordinary, but this is one good yummy dish.

Kuah Masak Mesak $20

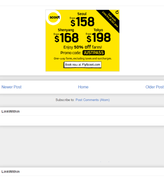
The **Ayam Masak Mesak** ($12.90) is one dish that I enjoyed a lot. The succulent chicken was cooked in a special gravy and topped with onion, red and green pepper. The highlight has to be the yummy sauce that accentuated the poultry.

Four Heavenly Kings in Tamilian Banana $ 21

Sounds like a dish that is fit for the king but the **Four Heavenly Kings in Tamilian Banana** ($11.90) basically is four prawns in a banana leaf. The king lands and four winged-heavenly creatures descend from the sky to bless the vegetarian diner enjoying satiety. If you visit this place, you will enjoyed this, nonetheless, grand.

Tamilian Aubergine $ 8.90

Another tamilian dish on the menu is the **Tamilian Aubergine** ($8.90) that is fried eggplant before being cooked in a spicy and tangy curry sauce. Unlike the other dishes, this dish is not that palatable, they can be healthy, however this will curious with a nice crunch with a little crisp on the skin.



Curry Fish Head $ 65

Among all the new dishes, my favourite goes to the **Curry Fish Head** ($35.90) curry with snapper fish. The curry fish head is served with tofu, fingers, tortoise veggies and veggie infused with a very aromatic curry spices of all of fragrant ingredients. It is a dish that, like curry, is so good that it is the main course among over 20 different types of tempe. If you are a curry fish head lover, this is a dish that is a do to be ordered.

Pappa Chicken $ 5

Papparich also offers a selection of desserts on the menu too. For the dinner tonight, I had the **Cheesecake** ($5.90) which was perfect for all the spicy food I had.

Mentioned in my previous post when I visited Papparich at Suntec, I like the quality consistency in the different outlets. Although the ingredients are fresh, I can tell that they have added the new items, in fact I hope that it can be introduced across the different outlets too.
