Yes, there is definitely always room for dessert. House made chendol using pure pandan juice, topped over fine ice slushy which encased wonderful sweet, big red beans, attap seeds & generous amount of rich, pure Gula Melaka (palm sugar). This is really love in a bowl haha♥️👍

The green green 🍃 and attap seed is my fave!

mel_vyn_caffeine

Perfect for such hot weather!! 🍃🍃

theresa_tay_

Wow. You are amazing

coffeedelicious

I am very tempted to try this!
