6 days ago · 📍 Papparich at Plaza Singapura

After having all the ulcer-inducing food such as chocolates, thai food and Sambal belachan for 4 consecutive days, all I want is this bowl of ABC chendol ice to douse the heat👌👌. Filled with grass jelly, soft atap chee, sweet corns and mushy red bean.

Looks good! Food at Papparich generally quick good IMHO!

**dairyandcream**

@melvyn\_caffeine yeah! It is very shiok! They got some exclusive items such curry fish head, Sambal egg plant that is only available at this plaza sing outlet 🙌

**hello\_hayoung**

Yummy green worms 🙌
